RE: Household Items, Gift Donation to Helping Hand House

Dear Puyallup Valley Quilters;

Thank you so very much for the recent donation of the household items, toys, gifts, and the financial contribution that was given to the families of Helping Hand House. We certainly appreciate your hard work, time, and effort in helping us carry out our work.

You are such a big help to the families and children that we serve and they are always so touched when they see that a community group went out of their way for them! The families are very touched that a community member would take the time to think of them.

We are grateful to you for your help in helping the community and for blessing the families that Helping Hand House serves!

Sincerely,

Lisa Heintz

From your past PVQ President:

Thank you for all of the Green Batik Fat Quarters. Can you guess what color my Log Cabin Challenge Quilt will be? And thank you so much for all of the Fortune Cookie Fortunes. Their wisdom and humor knows no bounds. Here are two of my favorites:
"Your investments of time now will lead to success later"
"You will do well in the field of wacky inventions"

Thanks,
