

## October Pick a Veggie

Pumpkin Block measures 6" square.

Making these designs which are foundation pieced in sections and then the sections are joined. Foundation piece the sections in numerical order, pressing and trimming after each patch addition. Join the sections as shown. Pattern is reverse of the finished block.

If your pattern sizes are different, check your print settings to make sure there is no page scaling—you should print the page at 100% or actual size

Please bring your block to the October Puyallup Valley Quilters meeting on  
October 1, 2008
